<b>3 ELECTIVES</b>	<b>See Elective List for options.</b>	

## OTHER SCHEDULING CONSIDERATIONS

1. Students must take an English, Math, Science, Social Studies, and Religious Studies course each year.
2. Course selections must equal 8 credits each year. Please note that some electives are .5 credit so two are needed to make a full credit.
3. Students must earn 1 Fine Art credit and 2 World Language credits (of the same language) to graduate.
4. Students must earn 2 Physical Education credits (HPE II is required) to graduate.
5. Many courses are required for TOPS and are indicated on the graduation planner.
6. AP classes *may* earn college credit if the student receives a 3, 4, or 5 on the AP exam.
7. English V DE and Sociology DE earn 3 hours of college credit. Spanish DE earns up to 6 hours of college credit.
8. Honors classes, English V DE, and Sociology DE receive a .5 extra credit, and AP classes and Spanish DE receive a 1.0 extra credit towards GPA.
9. Students will graduate with at least 30 credits depending on 8<sup>th</sup> grade classes.
10. Consult elective list for a full list of electives.
11. The Biomedics and Engineering PLTW programs consist of a four elective strand, one course taken each year 9<sup>th</sup>-12<sup>th</sup>. Courses taken beyond Principles of Biomedical Sciences and Introduction to Engineering Design earn .5 extra credit as Honors courses.
12. This is not an exhaustive list. Please consult with your counselor.
