## Registration Fee & Tuition Payment Instructions

### 2020-2021 Academic Year

Over the last few years, we have introduced an electronic payment system through a partnership with First Bank & Trust. This provides for an efficient and secure process while allowing parents and guardians to track their payments. During that time, we also received valuable feedback and worked with First Bank & Trust to simplify the processes. **For the 2020/2021 academic year all registration fee and tuition payments must be made electronically through this system. Payments cannot be accepted through the school office or mail.**

**Reminder:** All 2019/2020 accounts must be current before registration can be completed for the new school year.
